Issued by <CARRNAME>

In consideration of the premium charged:

- (1) The Underwriter may non-renew this Policy only by mailing or delivering to the entity named in ITEM 1 of the Declarations at its last known mailing address a notice containing the reason or reasons for non-renewal and stating when, not less than forty-five (45) days thereafter, such non-renewal will be effective. The mailing of such notice will be sufficient notice, and the effective date of non-renewal stated in such notice will become the end of the Policy Period.
- (2) If the Underwriter increases the premium upon renewal for a reason other than an increase in coverage or exposure base, or if terms of renewal will materially restrict or reduce coverage and have not been specifically requested by the entity named in ITEM 1 of the Declarations, the Underwriter must deliver or mail written notice thereof, by first class certified mail, to the entity named in ITEM 1 of the Declarations at its last known address, at least twenty (20) days before the Expiration Date set forth in ITEM 2(b) of the Declarations.
- (3) The premium for this Policy will not be deemed to be fully earned upon the happening of any transaction or event as a result of which coverage under this Policy will cease with respect to any Wrongful Act occurring or committed thereafter.
- (4) Subject to all of the other provisions set forth in this Policy, if this Policy is canceled or non-renewed by either the entity named in ITEM 1 of the Declarations or the Underwriter, the entity named in ITEM 1 of the Declarations may elect to purchase an Extended Reporting Period within thirty (30) days of the end of the Policy Period.
- (5) In the event of any recovery in connection with any Claim as to which a right of subrogation attaches by reason of any payment of Loss under this Policy, such recovery will be applied, net of the expense of such recovery:
  - (a) first, in satisfaction of any Loss in connection with such Claim incurred by the persons and entities entitled to coverage under this Policy which is in excess of the amount of Loss paid under this Policy, and
  - (b) second, after the persons and entities entitled to coverage under this Policy have been fully compensated for all Loss in connection with such Claim, in satisfaction of Loss paid under this Policy.
- (6) The remainder of such recovery, if any, will be applied to the persons and entities entitled to coverage under this Policy in satisfaction of any applicable deductible or retention under this Policy.
- (7) The Policy will be deemed to have been amended to the extent necessary to effect the purposes of this endorsement.

All other terms, conditions and limitations of this Policy shall remain unchanged.
